Dave Kuderer
Sparta Police Dept. 2013

Pete Annis
Lincoln County Sheriff's Dept. 2013

Greetings!

You are receiving this letter because you have attended one (or all) of our recent annual conferences. As our association continues to grow, we continue to look for ways to add value to being a member of this association.

At the 2010 General Membership Meeting, it was decided to set annual membership dues at \$30, and separate the dues from the annual conference. Membership dues will be in effect January 1st through December 31st. It is important to note that this is a change from years past when the membership in the association was included in the registration fee.

Why should you pay dues and maintain annual membership in the association?

- Reduced conference registration fee for those that are current members of the association the January prior to the conference.
- WTSOA will start to sponsor traffic safety training in various areas of the state, which will be free to current members (but fee based for non-members).
- The Board of Directors will continue to pursue additional means for creating value for the members of the association, based on the revenue raised through membership dues.

The collection of the annual membership dues will be vital for the financial health of the association, providing the resources for the association to grow and better accomplish the mission for which we exist. Membership dues will position this association to take the next step – please support the association by sending in your dues.

Please take the time right now to complete the enclosed membership renewal form, and send it in with your 2012 membership dues of \$30.

Your Board of Directors is already busy planning the 2012 conference! Save the date, March 5th- 7th, and plan to attend. For the first time, we will be holding the conference at the Country Springs Hotel in Waukesha – we believe this is going to be a great venue for us. Registration materials will be available soon, please watch the website for updates as they become available.

On behalf of the WTSOA Board of Directors,

Randy Wiessinger, President
